

PERFECT AMINO®

PERFECT AMINO® is a dietary supplement made of pure essential amino acids, the building blocks of protein, in a specific form and ratio designed for optimal utilization. It provides support for protein synthesis without contributing significant calories or impacting fasting states.* Enhanced with nucleic acid building blocks, it is designed to support protein synthesis and overall cellular health. PERFECT AMINO® is absorbed efficiently and is available in various forms, including pure tablets, coated tablets for ease of swallowing, and powders in Mixed Berry, Lemon Lime, Strawberry, Mocha, Chocolate, and Vanilla flavors. PERFECT AMINO® is 100% vegan, non-GMO, and free of gluten, soy, and dairy.*

PERFECT AMINO® ELECTROLYTES

PERFECT AMINO® ELECTROLYTES is a dietary supplement designed for optimal intracellular absorption to support hydration and overall health. This formula includes 68 trace minerals, magnesium, potassium, sodium, and zinc to help maintain healthy cellular communication.* Each serving is enhanced with 2g of PERFECT AMINO® and nucleic acid building blocks to support proper amino acid utilization and overall wellness. Available in 30 and 60 serving drink powders, it comes in Watermelon, Mixed Berry, Passion Fruit, Orange, and Lemon Lime flavors.* PERFECT AMINO® ELECTROLYTES is 100% vegan, non-GMO, and free of gluten, soy, dairy, sugar, and erythritol.

PERFECT AMINO® POWER MEAL™

PERFECT AMINO® POWER MEAL is a nutrient-dense dietary supplement designed to provide high-quality protein, low-glycemic carbohydrates, and essential vitamins and minerals to support energy and overall wellness. This superfood blend includes MCT Oil for sustained energy and satiety, with only 150 calories per scoop, zero added sugars, and naturally sweetened with Monk Fruit Extract. Available in Chocolate and Vanilla, PERFECT AMINO® POWER MEAL offers a convenient and balanced option to support your nutritional needs.*

PERFECT AMINO® BAR

PERFECT AMINO® BARS are a convenient and nutritious snack designed to provide clean-burning energy and essential nutrients to support peak performance. Each bar contains 9 grams of high-quality protein fortified with PERFECT AMINO®, an organic superfood blend, and MCTs to help sustain energy and curb hunger cravings. These bars are gluten-free, vegan, kosher, non-GMO, and free from soy, eggs, and dairy. Available in Blondie, Brownie, and Mocha Chip flavors, they make an easy and delicious option for on-the-go nutrition.*

METAL-FREE & CHEMICAL CLEANSE

METAL FREE & CHEMICAL CLEANSE is a dietary supplement formulated with potent organic herbal detoxifiers and a super-charged form of carbon called Fullerene. This micro-activated, multi-layered carbon molecule is designed to support the removal of harmful toxins by safely entering cells and absorbing them without known side effects. Enhanced with PERFECT AMINO®, Metal Free & Chemical Cleanse offers a comprehensive solution for detoxification and overall wellness.*

REDS

REDS Enhanced with PERFECT AMINO® is a drink made with 26 superfoods that supports nitric oxide production, boosts energy levels and helps promote overall optimal health. Enjoy the delicious drink any time you need to support energy levels, mental clarity, healthy digestion, and brain health.*

GREENS

A nutrient-packed superfood formula of nature's most potent plants, including fruit & vegetable superfood extracts, digestive support, fiber, enzymes, pre-biotics and enhanced with PERFECT AMINO®.*

MULTI COMPLETE™

Sourced from the best whole-food ingredients and using the active forms of top vitamins, MULTI COMPLETE™ is optimized for maximum bioavailability and maximum effect. It contains 20 whole-food organic fruit and vegetable concentrates, biologically-relevant doses of vitamins and minerals that you won't find in other multivitamins, and is designed for maximum health impact.* This product includes complete daily liver support because vitamins won't help if you're full of toxins, as well as an incredible antioxidant profile that includes some of nature's most potent antioxidants to help fight free radicals, defy aging, and protect your body.*

PERFECT AMINO® CREATINE

PERFECT AMINO® CREATINE provides high-quality 200 mesh micronized creatine monohydrate to support strength, endurance, lean muscle, cellular energy, cognitive health, & hydration. Available in tablets or unflavored powder, which mixes easily and is made with our natural sweetener system of Stevia Reb M, Monk Fruit, and Katemfe Fruit Extract.

NU CELL™

NU CELL™ Enhanced with PERFECT AMINO® is a dietary supplement designed to support increased performance and overall wellness. This liquid formula provides the body with the essential components needed to support efficient and sustainable repair processes, promoting long-term vitality and health.*

PROBIOTIC

We use high-quality reseeded probiotics combined with advanced spore probiotics to help balance your gut biome. To nourish beneficial bacteria, we've enhanced our formula with PERFECT AMINO®, delivering essential amino acids directly to the gut via a digestive-resistant capsule. This capsule protects against acid & bile, ensuring the probiotics reach your intestines for optimal results.*

GUT RESTORE

GUT RESTORE is a dietary supplement formulated to support digestive health by targeting bloating, IBS, gluten reactions, and promoting a healthy gut barrier. It helps eliminate harmful bacteria, yeasts, and toxins while balancing the microbiome.* With ImmunoLin®, humic acid, and enhanced with PERFECT AMINO®, GUT RESTORE is designed to neutralize over 46 digestive antigen invaders from our food and environment.*

SLEEP

SLEEP Enhanced with PERFECT AMINO® is a dietary supplement that supports restful sleep and stress relief. It combines GABA, Glycine, and Taurine to promote calm and healthy stress responses. Glycine may improve sleep quality, while Glutamine supports relaxation and GABA production. Activated vitamin B6 aids GABA and melatonin production, and 5-HTP helps regulate sleep and mood. With 3mg of melatonin, this formula supports deep, restorative sleep.*

OPTIMUM SLEEP ASSIST™

OPTIMUM SLEEP ASSIST™ is a dietary supplement formulated with unique ingredients like Velvet Antler extract to support healthy anabolic hormone levels and promote recovery. This formula is designed to help stimulate your body's IGF production, supporting sleep, healing, and muscle recovery like in your younger years. By using Optimum Sleep Assist™ before bed, you may experience benefits such as improved recovery from training, muscle growth, weight management, faster injury repair, deeper sleep, better brain function, and waking up feeling refreshed and alert.*

H2 INFUSE™

H2 INFUSE™ Molecular Hydrogen is a dietary supplement designed to provide high concentrations of hydrogen when dissolved in water. Formulated with bioavailable magnesium, it may help support oxidative stress, mitochondrial health, and a healthy inflammatory response, as well as cognitive function, cardiovascular health, and the excretory and musculoskeletal systems.*

DIGESTIVE ENZYMES™

Betaine Hydrochloride is a dietary supplement that may help lower stomach pH, activate natural digestive enzymes, and support the function of the esophageal sphincter.* Pepsin (Porcine) is a digestive enzyme that supports the breakdown of proteins, which may be inhibited by antacids.* Pancreatin (Porcine) contains a full complex of digestive enzymes, including Amylase (25,000 USP units), Protease (23,000 USP units), and Lipase (3,600 USP units), which are important for healthy digestion, particularly of fats and proteins.*

ELIMINATE™

ELIMINATE™ is a gentle yet powerful herbal formula designed to support healthy bowel movements and overall digestive health. It includes 15 medicinal herbs from around the world, along with trace minerals to promote optimal intestinal function.* Working overnight, ELIMINATE™ stimulates elimination without causing emergency bathroom trips or cramping. It also includes herbs that help rebuild and strengthen the mucosal lining, as well as compounds that can remove foreign invaders that may affect your health.*

OMEGA-3 HEALTH

Our fish oil is sourced from sustainably harvested sardines, anchovies, mackerel, and herring from cold Icelandic waters, ensuring high Omega-3 content and minimal heavy metal accumulation. These fish are abundant and caught using eco-friendly practices that do not negatively impact the native ecology.* Our proprietary processing method removes environmental toxins and contaminants, leaving you with the purest fish oil available, rich in DHA and EPA for a range of health benefits. The blend of Turmeric, Boswellia, Ginger, and Astaxanthin enhances the formula with additional properties that support the body's natural inflammatory processes and acts as a natural preservative.*

CARDIO VASCULAR

CARDIO VASCULAR is a dietary supplement formulated to support cardiovascular health. It promotes healthy blood flow, helps protect blood vessels from oxidative stress, supports energy production, and aids in maintaining healthy homocysteine levels within the normal range. With PERFECT AMINO®, it is designed to support optimal nutrient absorption.*

BODY CALM

BODY CALM is formulated with magnesium citrate, one of the most bioavailable forms of magnesium. Magnesium supports the nervous system, relaxes muscles, promotes mental calmness, and aids in deeper sleep, better recovery, sustained energy, and focus. It also supports protein synthesis, bone health, and normal blood sugar and blood pressure levels. This product is vegan and free from gluten, soy, dairy, toxins, sugar, and artificial sweeteners.*

ORGAN+™

This unique product uses advanced freeze-drying techniques to concentrate the nutrients from six organs of healthy, grass-fed cows, providing a range of critical nutrients that may support energy levels, immune function, heart health, brain health, and overall wellbeing. Since the late 1890s, physicians have used high-quality bovine adrenal extract to help support symptoms of adrenal fatigue, including fatigue, difficulty concentrating, and weakness.*

RELIEF™

RELIEF™ is a dietary supplement that combines high-potency CO2 extract concentrates of Turmeric, Boswellia, and Ginger, enhanced with BioPerine® technology for maximum bioavailability. The intentional ingredients in RELIEF™ support the body's natural inflammatory processes for optimal recovery. Using whole plant CO2 extractions, it provides the full spectrum of active compounds, including boswellic acid, curcumin, other curcuminoids, and gingerol, to support overall wellness.*

GUT DEFENSE™

GUT DEFENSE™ is a dietary supplement designed to support a healthy gut and overall wellness. This proprietary formula helps support the body's natural defense against harmful pathogens that can lead to dysbiosis in the intestinal tract. It works by disrupting and clearing away biofilms that protect these harmful microbes, allowing the immune system to effectively eliminate them.*

TRIBUTYRIN

Tributylin is a postbiotic source of butyrate that nourishes intestinal cells and supports gut barrier integrity. By promoting a healthy gut lining, it helps maintain nutrient absorption, balanced microbial activity, and overall digestive comfort.* This formula also supports immune balance, clear healthy-looking skin, and overall vitality by promoting harmony between the gut and other body systems.* Enhanced with PERFECT AMINO® Essential Amino Acids and Nucleic Acid building blocks, it provides key nutrients for cellular repair, metabolic efficiency, and optimal utilization.*

ZINC

ZINC Enhanced with PERFECT AMINO® provides a highly absorbable blend of zinc picolinate, citrate, and acetate to support optimal cellular function and immune resilience. Zinc is an essential mineral that contributes to normal immune defense, antioxidant protection, and the body's natural ability to maintain healthy skin and tissue repair.* By supporting protein synthesis and cellular renewal, zinc also plays a key role in hormone balance and normal metabolic activity.* This formula is enhanced with PERFECT AMINO Essential Amino Acids and Nucleic Acid building blocks to promote efficient nutrient utilization, energy production, and overall metabolic vitality.*

D3+MK7

D3+MK7 is a synergistic formula that combines vitamin D3 and vitamin K2 (MK7) to support multiple aspects of health, including skeletal, immune, endocrine, and cardiovascular function.* Vitamin D3 helps maintain healthy bones by supporting calcium absorption, while Vitamin K2 (MK7) helps direct calcium into bones and teeth where it is needed most. Together, these nutrients support healthy bone strength, immune health, and cardiovascular wellness.* This formula is enhanced with PERFECT AMINO® Essential Amino Acids and Nucleic Acid building blocks, which support efficient cellular utilization and overall metabolic health.

LIPOSOMAL GLUTATHIONE

Liposomal Glutathione provides a bioavailable form of glutathione to support the body's natural detox pathways, cellular balance, and immune function. It helps support liver health, maintain oxidative balance and cellular activity, and aids in healthy immune system function.* The formula features a lemon mint flavor and is vegan, non-GMO, gluten-free, dairy-free, Paleo-friendly, and Keto-friendly. Each 2 mL serving supplies 100 mg Optiact L-Glutathione and 75 mg sunflower-derived phosphatidylcholine in a liposomal matrix, combined with PERFECT AMINO® Essential Amino Acids and Nucleic Acid building blocks to support efficient cellular utilization.

METHYL B12 & METHYL FOLATE

Methyl B12 & Methyl Folate delivers active B vitamins that support normal energy production, methylation, and metabolic function. They also support brain and nervous system health and red blood cell formation for steady daily energy. Each dissolvable tablet provides 1,700 mcg methylated folate, 1,000 mcg methylcobalamin, and 25 mg PERFECT AMINO® to support nutrient use and cellular metabolism.*

COMING SOON!

SAMe

S-Adenosyl Methionine (SAMe) is a powerful methyl donor that supports healthy methylation throughout the body. Methylation is essential for mood balance, joint health, and liver function.* SAMe helps promote a positive mood, support joint mobility, and maintain healthy liver detoxification activity.* Enhanced with PERFECT AMINO® Essential Amino Acids and Nucleic Acid building blocks, this formula promotes efficient cellular utilization and overall metabolic support.*

TMG

Trimethylglycine (TMG), also known as betaine, is a key methyl donor that supports healthy methylation throughout the body. Methylation is essential for energy production, detoxification, and gene regulation.* TMG helps maintain normal homocysteine metabolism, supports cardiovascular & neurological health, and aids in managing exercise-related stress.* Enhanced with PERFECT AMINO® Essential Amino Acids and Nucleic Acid building blocks to promote efficient cellular utilization.

BIO DETOX

Bio Detox helps support the body's natural detoxification and elimination pathways with a blend of zeolite, terra clay, and fulvic and humic acids. These ingredients help bind unwanted compounds and can support digestive balance and nutrient absorption. The formula helps support regularity, maintain microbial balance in the gut, and provide antioxidant support for cellular protection.* It is non-GMO, gluten free, dairy free, Paleo friendly, and Keto friendly. Each capsule provides 300 mg Zeolite at 70 percent clinoptilolite and 230 mg of the Bio Detox Blend with Ultra Terra Clay, Aloe Vera Extract, Fulvic Acid, Humic Acid, and C60.

CELLULAR GUARD

Cellular Guard is a sulforaphane stimulating, antioxidant rich formula that helps support healthy cellular behavior, immune resilience, and natural detoxification function. It also helps support liver detox pathways, healthy hormone metabolism, and cellular defenses that help maintain balance within hormone sensitive and reproductive systems. This formula helps support cellular and DNA integrity, helps promote balanced hormone and enzyme activity, and helps enhance immune and detoxification systems.* Each serving provides EGCG, AHCC, Moringa, Glucoraphanin, and Myrosinase for sulforaphane activation, with PERFECT AMINO® for cellular protein support.*
